

If possible, leave pets at home when going out for 4th of July festivities and loud fireworks.

Never use fireworks around pets. Also, store unused fireworks safely out of reach.

Never leave alcoholic beverages unattended that are in reach of your pet.

Keep citronella candles, mosquito coils, and Tiki torch oil out of pets' reach.

Don't apply any sunscreen or bug spray to your pet unless it's labeled specifically for use on pets.

Always keep matches, fire sticks, and lighter fluid out of your pet's reach.

While some pets may beg for BBQ or picnic food, make sure to keep them on their regular diet.

Don't put glow jewelry on your pets or allow them to play with it.
